TIFFANY CAMARENA NEXT C.A.T.S. TEACHER

Congratulations to Tiffany Camarena, who was recently hired to lead the C.A.T.S. program starting in the 24-25 school year! Janet Slingerland, the current C.A.T.S. teacher, will be retiring after teaching for 30 years in the Flowing Wells School District. Tiffany has taught Social Studies for the last seven years at Flowing Wells Junior High School. In that time, she has developed a passion for student-centered learning. She is committed to providing enriching experiences that will give gifted learners in Flowing Wells new skills that can transfer back to their classrooms. Part of Tiffany's work will involve restructuring the C.A.T.S. program and building new curriculum for our gifted learners. We have no doubt the C.A.T.S. program will continue to thrive with Tiffany's leadership!
