

THE FW INSIDER

TABETHA FINCHUM NAMED ASSISTANT SUPERINTENDENT FOR HR

At last night's Governing Board meeting, Tabetha Finchum was approved to become the next Assistant Superintendent for Human Resources, to become effective July 1st. Tabetha began her career in Flowing Wells in 2004 at Centennial Elementary School, where she taught third and fourth grade through 2016. She then led the implementation of our newly adopted elementary math curriculum, Investigations Math, as the District Math Specialist from 2016 through 2018. She also worked closely with secondary math teachers to shift math curriculum, instruction, and assessment toward a more student-centered approach. Since 2018, Tabetha has served as Interim Principal and then Principal at Hendricks Elementary School, working with the staff, students, and community to earn an A rating for the past two years. Tabetha's degrees and professional accomplishments prior to her principal certification and her current doctoral work provide insights into her leadership style. She earned a master's degree in post-secondary education with an emphasis on educational technology; she completed a five-year Master Teacher of Mathematics program; and she earned the Presidential Award for Excellence in Mathematics and Science Teaching. It is no surprise then that Tabetha embraces challenges and problems as opportunities for herself and everyone involved to learn, grow, and improve. There is no doubt that she will bring this same mindset and work ethic to her new role. Congratulations, Tabetha!
